MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director for Administration  
~~Deputy Director of Central Intelligence~~FROM:  Acting Director of Security

SUBJECT: FBI and Fairfax County Police Coordinated Response to Hostage Situations on the Headquarters Compound

STAT

1. Action Requested: None. For your information.

2. Background: Pursuant to a recent vulnerability study of the Headquarters compound, the Office of Security is developing a new contingency plan designed to ensure a coordinated, effective response to any terrorist action or hostage situation that might develop on the Headquarters compound.

The Office of General Counsel (OGC) has determined that the Federal Government and the Commonwealth of Virginia have concurrent jurisdiction over crimes and offenses committed on Headquarters property. To avoid possible confusion arising from the phrase "concurrent jurisdiction," the new plan will clarify the specific responsibilities of both the FBI and the Fairfax County Police following a terrorist attack.

The initial response to terrorist action on the compound will be from the Fairfax County Police due to their proximity to Headquarters. The police response can include a SWAT capability if warranted by the circumstances. The police will secure the perimeters, locate and contain the terrorists, and maintain their positions until relieved.

# ADMINISTRATIVE INTERNAL USE ONLY

The Office of Security has concluded that overall tactical responsibility, including negotiations with terrorists, should rest with the FBI. After the FBI arrives on the Headquarters scene of a terrorist incident, the Fairfax Police will assume a supporting role.

This memorandum has been coordinated with the FBI and the Fairfax County Police Department.
